

WARREN YOUTH SOCCER LEAGUE
COACH/PARENT PLEDGE

WYSL is dedicated to children playing and learning the rules of soccer. Unfortunately, WYSL is experiencing the same thing that other youth leagues are plagued with – adults are forgetting that kids play for FUN. We are having an increasingly difficult time fielding referees due to verbal abuse from coaches and parents alike. Sideline hostilities are increasing at an alarming rate. Please sign after reading the following :

I, as a coach/parent, will refrain from shouting. If I yell, it will be words of encouragement.

I will remember that the referee is a person doing the best they can.

I will remember that this is a RECREATIONAL league.

I will display good sportsmanship at all times.

PLEASE REMEMBER

1. It is the coach's responsibility to keep his/her parents under control.
2. It is the parent's responsibility to know that only a coach may POLITELY question a referee's call.
3. It is the player's responsibility to learn the rules, play hard and HAVE FUN !!

NOTE: WYSL reserves the right to suspend/remove a child from the league due to the player's parent's offensive behavior. This may happen at ANY point of the season. No registration money will be refunded.
